

ATTENDANCE INTERVENTIONS

- Deliver intervention in a targeted way, in response to data or intelligence.
- Monitor and analyse attendance data regularly to ensure that intervention is delivered quickly to address absence (register inspections, code analysis, cohort and group monitoring, punctuality, lesson attendance across subjects and benchmarking).
- Use attendance, pastoral and SEND staff that are skilled in supporting pupils and their families to identify and overcome barriers to attendance.
- Create Attendance Support Action Plans in partnership with families and other agencies that may be supporting families, for example, children's social care and early help services. Commission or deliver interventions to improve attendance.
- Monitor the impact of any intervention, making adjustments if necessary and using findings to inform future strategy.
- Where interventions fail to address attendance issues, identify the reasons why and, where appropriate, change or adjust the intervention.
- Follow local authority codes of conduct, policies and procedures and make referrals for statutory intervention when interventions have not resulted in improved attendance and relevant triggers / thresholds are met. Before a penalty notice is considered, a pupil must have had a minimum of: 5 school days/10 sessions unauthorised absence in a term or. 7 school days/14 sessions unauthorised absence over 2 consecutive terms.
- Use incentives to improve school attendance and punctuality.
- Weekly raffle for punctuality
- 6 weekly "Prize Pot" for attendance

ATTENDANCE INTERVENTIONS

Are there different interventions for each group of pupils?

Tier 1 services are delivered to the entire school

Tier 2 intervention services are delivered to a classroom or small group of students who are at risk of attendance declining due to vulnerabilities

Tier 3 targeted interventions for individual students; this may improve attendance in the short term for that one student

Who is monitoring attendance interventions?

- Senior Leadership Team
- Attendance/AP Lead
- Pastoral Team
- Attendance Officer (to be appointed Sept 23)

Discussions re attendance happen on a daily basis

Pastoral Meetings take place every 2 weeks with a member of SLT present

Attendance/Intervention data reported to governors every half term

Current interventions are showing progress, this is monitored in the Pastoral meeting

All staff are responsible for implementing different interventions
