Dear Parent/Carer

Here at Impact we have a code of conduct and a simple set of rules and expectations which we expect all our students to follow. Unfortunately, since returning to school in September there have been a number of occasions where the behaviour of a minority of our students has fallen well below those expectations.

### **Basic student expectations**

- Attend school every day
- Be in school on time
- Go to all lessons on the timetable
- Engage in all lessons
- Work to the best of your ability
- Follow staff instructions first time of asking
- Respect – each other / staff / school property

Getting students to consistently meet the expectations above is one of our core aims at Impact, and is one that the staff here are committed to helping them achieve. Students who do so will be more employable and better prepared for adult life. Whilst we accept that a student's behaviour will sometimes fall short of some these expectations, more serious behaviours, such as verbal abuse, serious damage to school property and threatening behaviour to staff are unacceptable and will not be tolerated.

I'm sure you will agree with the points I have made and, therefore, I would ask for your support in addressing this issue with your child.

Kind Regards
